Max Dollars for EDUCATION

Supporting Local

Schools for 20 years!

up to

\$5,000

could be donated to our school.

Visit the school office or myCountyMarket.com to sign up!

MONEY FOR OUR SCHOOL

We have an opportunity to help our School to win \$1,000 but we need your HELP! County Market in Winfield is promoting "Max Dollars for Education". This program will donate \$1,000 to a local school with the most sales accumulated between August 1, 2014 and December 31, 2014. The sales will be tallied through the use of the green MAX value reward card issued by County Market. If you do not have a card, you can sign up the next time you shop at County Market and designate our school. If you already have a MAX card it needs to be reregistered through our school. The form to register again is in the school office or will be available at Parents Night. You will need to bring your card to reregister. Kellogg's and Smuckers will each donate \$5,000 with the most participants who buy their products when using the Max card and Pepsi will donate \$1,000 to the top 10 schools whose participants buy the most Pepsi products when using the Max card.
